### 3.0 REVIEW OF REGULATED PROCUREMENT COMPLIANCE

- 3.1 Southside Housing Association is committed to ensuring that all regulated procurements comply with both the Association's Procurement Strategy and all relevant legislation.
- 3.2 All of the regulated procurements completed during the period 01.04.20 – 31.03.2021 were undertaken in line with the Association's approved Procurement Policy.
- 3.3 All awarded contracts are published on the Association's Web Site.
- 3.4 The Table below details information on how the Association's procurement activity achieved the policies set out within its Procurement Strategy.

<b>Value for Money:</b>	As set out in the Strategy, the Association assessed where possible, its regulated procurements (listed in section 2 above) by means of a balance between quality and price, in order to deliver the most economically advantageous tender. Both Quality and Price were considered in the tender process and all bidders were advised of how this would be assessed.
<b>Equal Treatment &amp; Non-Discrimination:</b>	For all regulated procurement activities undertaken where possible, the Association advertised contracts at each relevant stage on the Public Contracts Scotland Portal and, when required, in the Official Journal of the European Union (OJEU). All questions raised in procurement exercises were dealt with through the portal so that all bidders had the same information.
<b>Transparency &amp; Proportionality:</b>	For all regulated procurements the Association uses: <ul style="list-style-type: none"> <li>• electronic communication when communicating with suppliers</li> <li>• Is clear and precise in the language used to detail the requirements</li> <li>• Has utilised the European Single Procurement Document when seeking potential suppliers.</li> </ul>
<b>Sustainable Procurement:</b>	The Association ensures that in all regulated procurements it will consider how, when framing the contract requirements it could contribute to the following: <ul style="list-style-type: none"> <li>• Improving the economic, social and environmental wellbeing in particular reducing inequality within our main areas of operation</li> </ul>

	<ul style="list-style-type: none"> <li>• Facilitating the involvement of small and medium enterprises and supported businesses in the process</li> <li>• Promoting innovation</li> </ul> <p>Our design brief for all new build and major repair and improvement works include the requirement to design homes which optimise the use of finite natural resources, energy consumption and the production of waste and emissions.</p> <p>The new build development listed in 2.2 has been designed to achieve Housing for Varying Needs, Secure by Design and Technical Standards Section 7 Silver Level Aspects 1- 8 inclusive.</p>
<b>Community Benefit Requirements:</b>	Refer Section 4.0 for the Association's Community Benefit Summary.
<b>Payment of The Living Wage:</b>	Where relevant and proportionate sustainability requirements, including support for Fair Working Practices and the Living Wage were included in contract documents.
<b>Compliance with Health &amp; Safety Legislation:</b>	For all regulated procurement activity either works or services contracts the selection process ensures that all bidders invited to participate will have to demonstrate their compliance with the Health and Safety at Work Act 1974. This will be assessed at Pre-qualification stage by either a 3rd party accreditation or policy.
<b>Consultation and engagement:</b>	For both the Regulated Projects identified at Section 2.2. above the Association carried out an extensive consultation and engagement exercise with the residents in respect of the proposals. This included 'Open Days' and 'Public Meetings'.
<b>Fairly &amp; Ethically Traded Goods and Services:</b>	The Association recognises that our Procurement Strategy states that where relevant and proportionate to a regulated contract, we will encourage fair and ethical trading principles in its procurement requirements.
<b>Regulated Procurements involving food:</b>	There was no regulated procurement activity involving food during the reporting period.
<b>Payment within 30 days:</b>	The Association is committed to ensuring that all suppliers who are awarded business are paid within 30 days. The Association is unable at this stage to provide a summary report confirming the percentage of invoices paid within this timescale. This will be improved in the future following the upgrading of the Association's I.T System.

#### **4.0 COMMUNITY BENEFIT SUMMARY**

- 4.1 Southside Housing Association is committed to maximise Community Benefits from its procurement activities.
- 4.2 Community Benefits Clauses are contractual clauses which can be used to build a range of economic, social and environmental conditions into the delivery of public contracts.
- 4.3 Prior to the commencement of a regulated procurement process, the Lead Officer will consider whether Community Benefit Requirements can be included in the contract.
- 4.4 There is no formal requirement for the consideration of Community Benefits in contracts with an estimated value of less than £4 million, however the Association will consider Community Benefits for each contract that is subject to regulated procurement and apply these where applicable.
- 4.5 The table below provides information on the Association's Community Benefit activity during the reporting period.

<b>USE OF COMMUNITY BENEFIT REQUIREMENTS: 1 Apr 2020 to 31 March 2021</b>	
Total number of regulated contracts awarded	2
Total number of contracts awarded over £4 million	2
Total number of contracts awarded with community benefit requirements	2
Total number of contracts awarded over £4 million with community benefit requirements	2

#### **5.0 SUPPORTED BUSINESSES SUMMARY**

- 5.1 The Association acknowledges that before we start a regulated procurement, we need to consider how we might use the process to facilitate the involvement of small and medium enterprises, third sector bodies and supported businesses.
- 5.2 The Association where possible will include the involvement of small and medium enterprises, third sector bodies and supported businesses.

## 6.0 FUTURE REGULATED PROCUREMENTS SUMMARY
